PROGRAMME AND RELATED QUESTIONS: CALENDAR OF CONFERENCES AND MEETINGS FOR 1992 AND 1993

Provisional calendar of conferences and meetings for 1992 and 1993 in the economic, social and related fields

Note by the Secretariat

SUMMARY

In the present note, the Economic and Social Council is invited to approve the calendar of conferences and meetings for 1992 and 1993 in the economic, social and related fields. Information on meetings of related bodies and conferences and meetings of governing bodies of specialized agencies and the International Atomic Energy Agency (IAEA) is also provided. The attention of the Council is drawn to the relevant provisions of General Assembly resolution 45/264 on the restructuring and revitalization of the United Nations in the economic, social and related fields, which have been taken into account in the preparation of the calendar.

The Council is invited to consider further the biennialization of the sessions of its subsidiary bodies, in accordance with paragraph 2 (f) (ii) of its resolution 1988/77 on the revitalization of the Economic and Social Council, and to decide whether to discontinue for a further period summary records for its sessional committees and a number of its subsidiary bodies.

Attention is drawn to Council decision 1988/103, in which the Council decided to invite the Committee on Conferences to review the Council's draft calendar of conferences and meetings and submit, as appropriate, its recommendations thereon to the Council.

1. The provisional calendar of conferences and meetings in the economic, social and related fields for 1992 and 1993, contained in the annex to the present document, has been prepared in accordance with the relevant General Assembly resolutions, in particular, 37/14 C, 39/68 B and D, 40/243, 41/177, 41/213, 42/207 B and 45/264, and relevant decisions and resolutions of the Economic and Social Council. Attention is drawn to the following decisions of the Council and the General Assembly:

(a) That the Council should hold an organizational session not to exceed four days' duration to be held in early February and a resumed organizational session at the end of April for one or two days, and that the Council should hold one substantive session of four or five weeks to take place in alternate years in New York and Geneva between May and July (Assembly resolution 45/264);

(b) That all meetings of subsidiary and associated organs should conform to the Council's schedule of meetings and not vice versa (decision adopted at the Council's 1837th meeting, on 28 July 1972, at the fifty-third session);

(c) That the Committee for Programme and Coordination, the Committee for Development Planning, the Commission on Human Rights, its Subcommission and the Working Group on Communications, the regional commissions, the Commission on Transnational Corporations and the Commission on Human Settlements shall be authorized to meet every year unless any of these organs decide otherwise with the concurrence of the Council; and that all other subsidiary and expert or advisory bodies shall meet biennially unless the Council decides otherwise (Council resolutions 1768 (LIV), 1913 (LVII) and 1978/1);

(d) That the subsidiary bodies of the Council, with the exception of the regional commissions, may not create either standing or ad hoc intersessional subsidiary bodies without prior approval of the Council (rule 24, para. 2, of the rules of procedure of the Council);

(e) That the regular sessions of the Economic and Social Commission for Asia and the Pacific, the Economic Commission for Latin America and the Caribbean, the Economic Commission for Africa and the Economic and Social Commission for Western Asia, as well as meetings of their subsidiary bodies, may be held away from their headquarters when the commission concerned so decides, subject, in the case of regular sessions of the commissions, to the approval of the Economic and Social Council and the General Assembly (Assembly resolution 40/243, sect. I, para. 4 (f));

(f) To adopt, on a regular basis, a biennial cycle of meetings which would correspond to the programme budget cycle, for better administrative control (Council decision 281 (LXIII), para. (b));

(g) That (i) the regular sessions of the functional commissions and standing committees of the Council should normally have a duration of not more than eight working days; and (ii) once the calendar of meetings had been adopted by the Council, no additional meetings involving departures from the biennial cycle of meetings would be authorized during the biennium (Council decision 1979/81, paras. (b) to (d), and Assembly resolution 34/50);

(h) That the Secretary-General should ensure that meetings of the subsidiary bodies of the Council would end at least eight weeks before the session of the Council at which their reports were to be considered (Council resolutions 1982/50, para. 1 (l), and 1988/77, para. 2 (f) (i)).

2. The Council's attention is drawn to the decision taken by the Committee on Conferences at its 154th meeting, on 11 March 1981, that in future, requests for intersessional departures from the calendar of conferences should only be submitted to the Committee for its consideration if accompanied by a presentation of detailed substantive arguments supporting a proposed change in or an addition to the calendar. The Committee also decided to request the Secretariat to inform the Committee, as far in advance as possible, of the need for a postponement of sessions of United Nations bodies, together with a presentation of the substantive reasons necessitating a delay.

3. The Council may recall that in paragraph 2 (f) (ii) of its resolution 1988/77, it decided to further continue to consider the biennialization of the sessions of its subsidiary bodies. The subsidiary bodies of the Council have biennialized their meeting schedules, with the exception of:

(a) Commission on Human Rights and several of its working groups; and the Subcommission on Prevention of Discrimination and Protection of Minorities and its three working groups;

(b) Committee for Development Planning and its three working groups;

(c) Commission on the Status of Women (to the year 2000);

(d) Commission on Transnational Corporations and its Intergovernmental Working Group of Experts on International Standards of Accounting and Reporting;

(e) Committee on Economic, Social and Cultural Rights and its pre-sessional working group;

(f) Economic Commission for Europe;

(g) Economic Commission for Africa and its Technical Preparatory Committee of the Whole;

(h) Economic and Social Commission for Asia and the Pacific;

(i) Meetings of Heads of National Drug Law Enforcement Agencies (HONLEA) of the Commission on Narcotic Drugs and the Commission's Subcommission on Illicit Drug Traffic and Related Matters in the Near and Middle East;

(j) Subcommittee of Experts on the Transport of Dangerous Goods.

4. The Council may wish to take the opportunity of its review of the provisional calendar to consider further the question of the biennialization of its subsidiary bodies.

5. The Council's attention is drawn to Council decision 1988/103, in which the Council decided to invite the Committee on Conferences to review the Council's draft biennial calendar of conferences and meetings, beginning with the calendar for 1990-1991, and submit, as appropriate, its recommendations thereon to the Council. Such recommendations as the Committee on Conferences may have will be placed before the Council.

6. Finally, the Council may wish to recall its decision 1989/174, by which it decided to discontinue for a further period of two years, from 1990, summary records for its sessional committees (First (Economic) Committee, Second (Social) Committee and Third (Programme and Coordination) Committee) and for the following subsidiary bodies:

Commission for Social Development;

Commission on the Status of Women;

Commission on Narcotic Drugs;

Economic Commission for Europe;

Economic and Social Commission for Asia and the Pacific;

Economic Commission for Latin America and the Caribbean;

Economic Commission for Africa;

Committee on Non-Governmental Organizations;

Committee on Natural Resources;

Committee for Programme and Coordination;

Committee on Transnational Corporations.

Since the two-year period will expire at the end of 1991, the Council may wish to take a further decision on the matter at this time.
